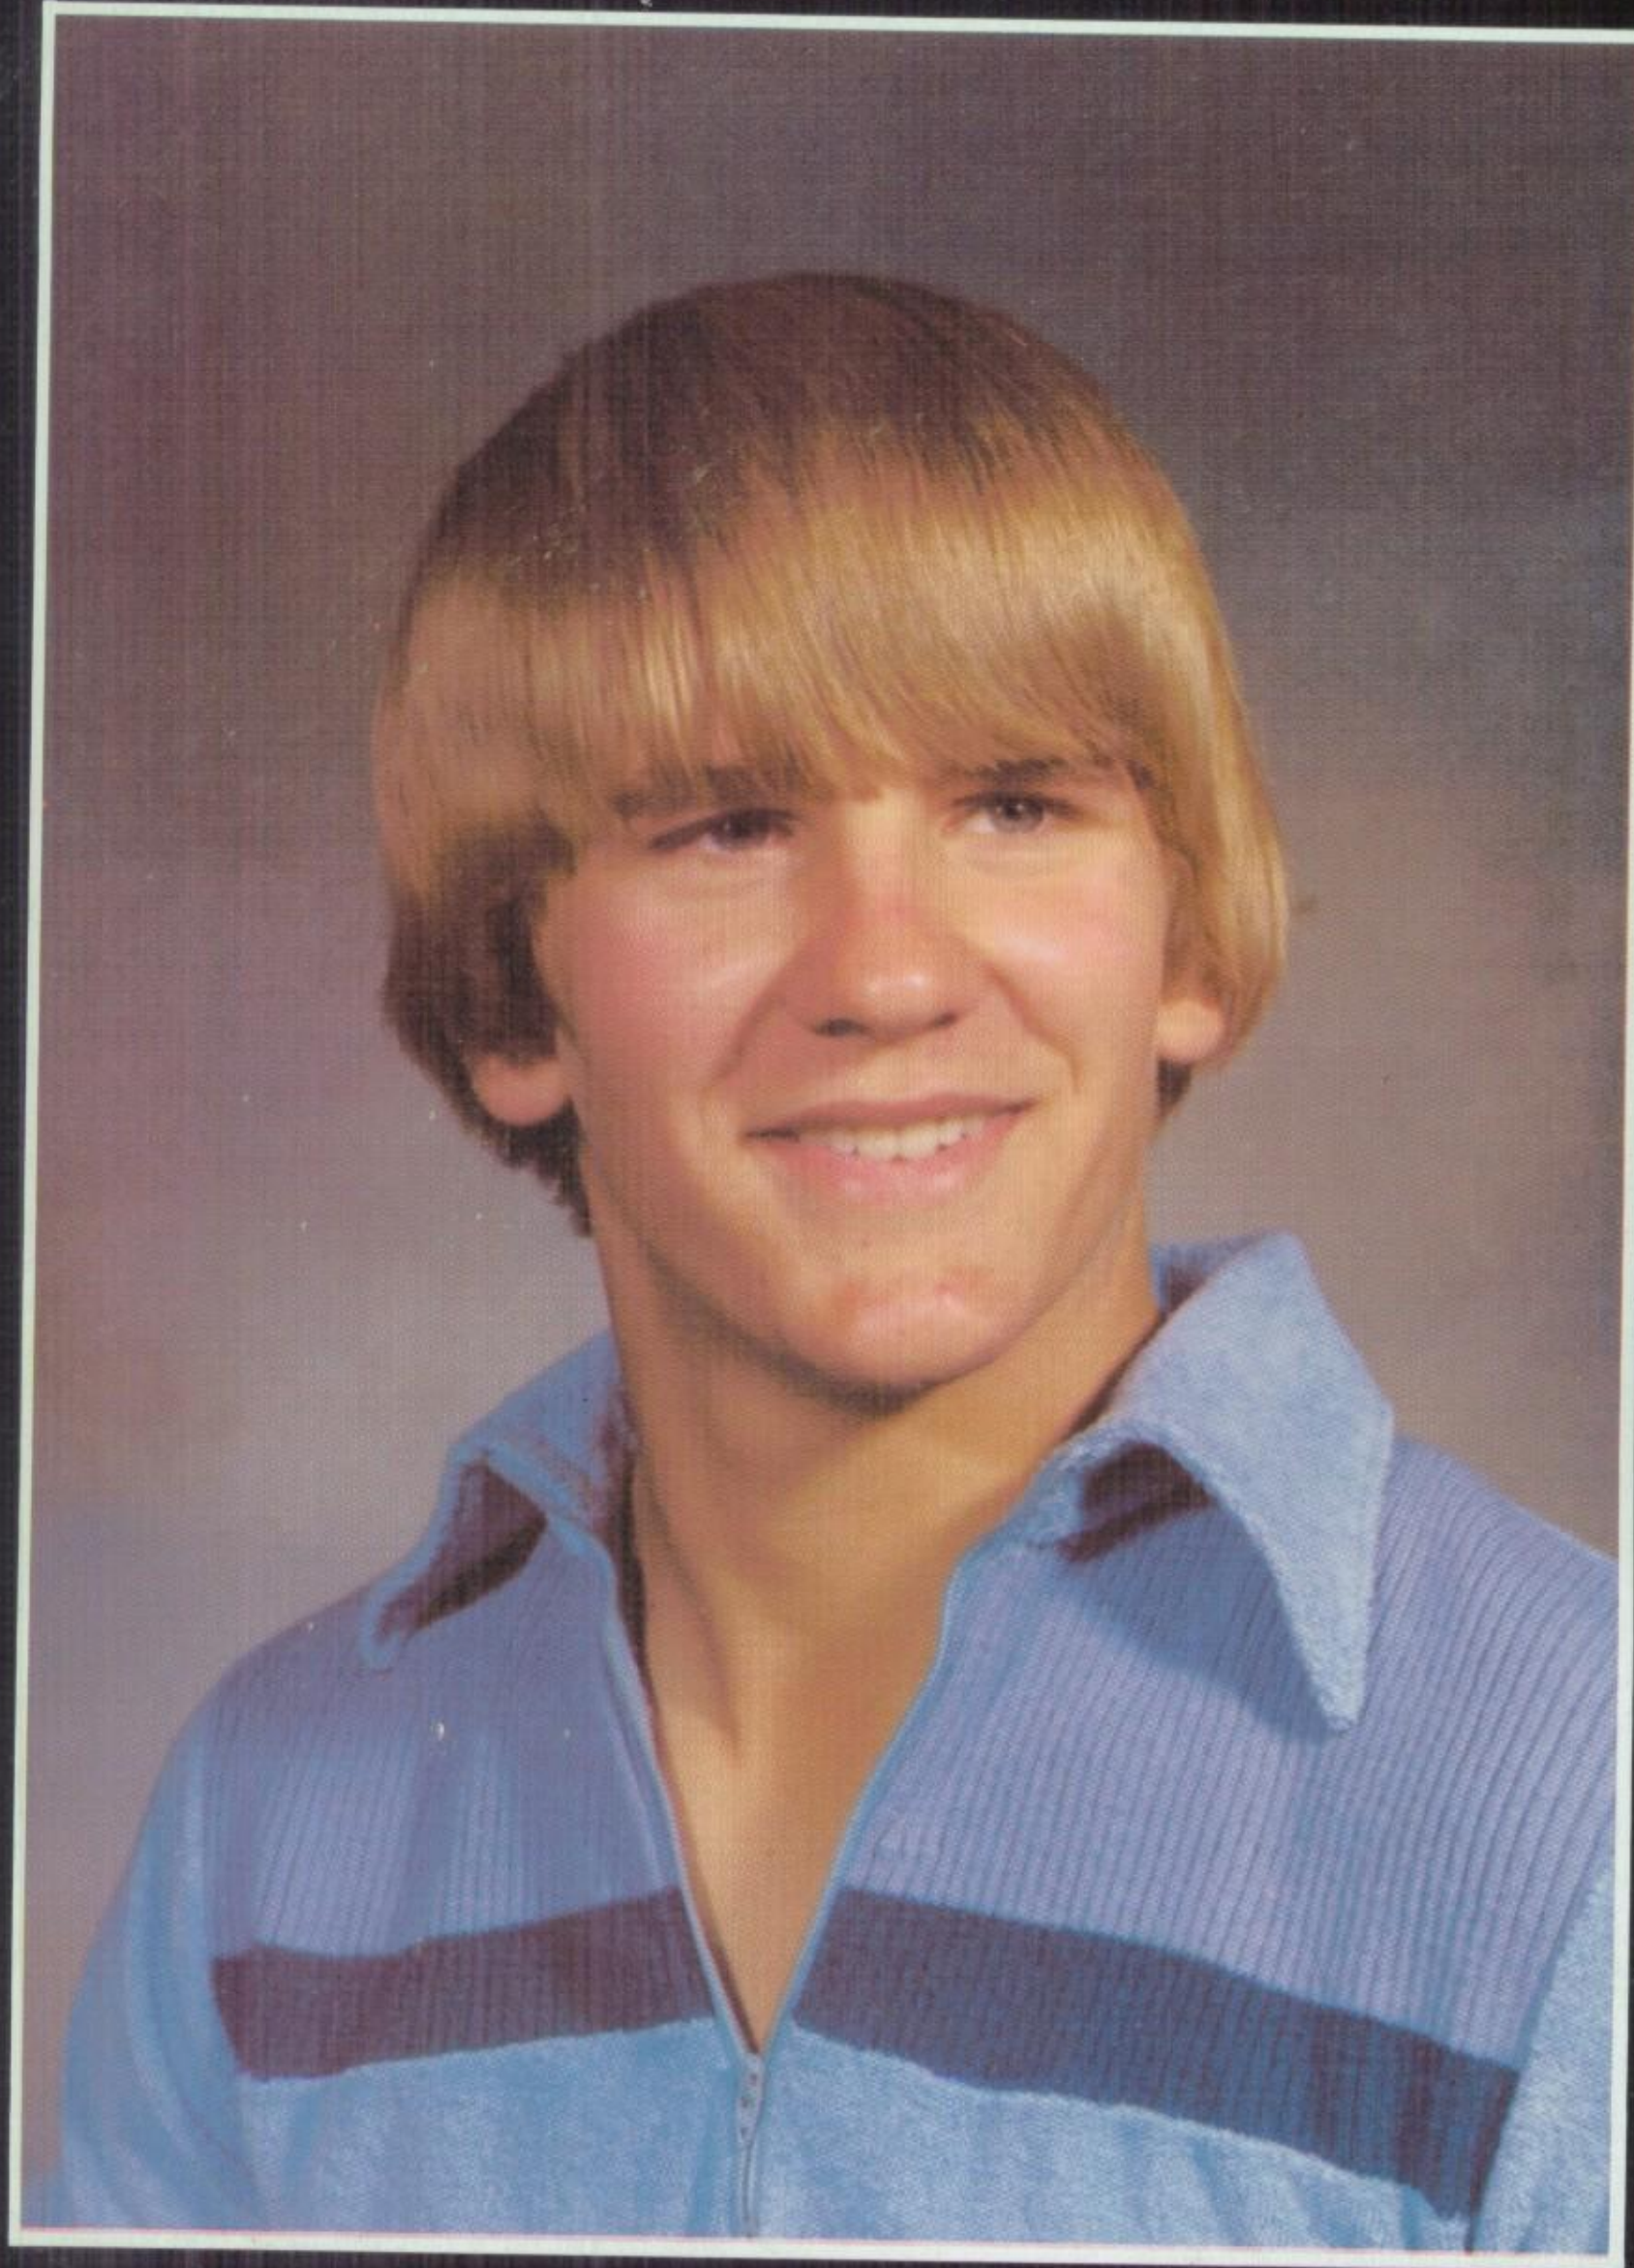
In Memory of Stanley Sprague



You were taken so fast
We couldn't say good-bye.
All we could do
Was ask ourselves, "Why?"

Our good times with you,
All the fun that we shared,
You'll never really know
Just how much we cared.

With tears in our eyes
We remember your smile
And that makes our lives
So much more worthwhile.

We know that you'll hear
This message we send:
We love you, Stan.
We miss you, Stan.
You were a wonderful friend.
